PRODUCT INFORMATION

Formula 163

Moisturizing Cream

Moisturizing Cream by Health Guard® protects and restores the skin's natural barrier. The fragrance-free formula helps maintain proper hydration while reducing discomfort, itching and inflammation in patients with compromised or sensitive skin. Regular use supports wound healing and improves skin resilience, especially in older adults and those with chronic conditions. For everyday use on hands and body.

Features and Benefits

- Helps maintain skin integrity by preventing dryness, cracking and breakdown
- Reduces risk of infection by supporting the skin's natural barrier
- Relieves discomfort, itching and irritation for patients with dry or sensitive skin
- Supports wound prevention, especially in elderly, immobile or incontinent patients
- Enhances overall patient comfort and quality of care when used as part of routine skin care

Directions for Use

Apply to clean, dry skin as needed. Massage gently until absorbed.
