Pre-K through 5th Grade Hand Hygiene Program

Keeping Staff And Students Healthy

Nowhere is good hand hygiene more important to children than in the schools where they spend so much of their day. Thorough handwashing with soap and water or rubbing hands with sanitizer (when soap and water are not available), can cut absenteeism and prevent colds and flu. Health Guard has a complete offering of hand soaps and hand sanitizers in many wall mount and portable dispensing options.

Available in Manual push and No Touch automatic options, our wall mount dispensers are designed to go anywhere (see Locator Map on opposite page).

Designer Series
Wall Mounted Dispensers

Manual Dispensers

NEW! Our Hand Sanitizer branded dispensers can help separate sanitizer from soap

Wash away germs and boost school spirit...

Customize your dispenser!

- Create your own window card
  Design and print your own cards. Perforated card stock available in order, print out on any desktop printer and insert into dispenser window.

No Touch M-Fit Dispensers

- Use the same refill as the manual
- Powerful motor for quick dispensing and superior foaming
- Water drop indicator lights up green when water is low
- Motion sensor prevents random dispensing
- Sleep mode after 30 minutes of non-use extends battery life. Includes four C-cell batteries for longer life, no tools necessary.

"Addressing the spread of germs in schools is essential to the health of our youth and our schools. The most important thing that you can do is to keep your hands clean and wash them frequently."

-Mark Skoglund, Director of Disease Control & Prevention.

Encourage handwashing for the youngest students

Kids Multi-color Dispenser

Our multi-color Kids Dispensers, paired with our rich foam products, makes handwashing fun so kids wash hands more often. Dispenses 0.4 mL per push for smaller hands.

Includes our kid-friendly window cards

Hand soaps and sanitizers that are ideal for schools:

Foaming Ultra Green Hand Soap ideal for allergy sensitivity settings
