

SOFT & SILKY

Eliminate wasteful packaging with Kutol's "Boxless" Bag-in-Box system!

Soft & Silky dispensers are made with interior rails to support "boxless" refill bags. Wasteful outer cartons are eliminated for a more eco-conscious option.

For use with Health Guard® liquid formulas, available in three refill sizes:

800 mL – The most common bag-in-box size and designed to fit most competitive dispensers.

1000 mL – Save money! Fits 800 mL dispensers, providing more product for less money than traditional bag-in-box systems.

1200 mL – Lasts longer, requires fewer change outs and reduces labor. Utilizes the shorter, large diameter dispensing tube.
