Accordingly, Kutol is authorized to use the Green Seal Mark in association with these products, provided that no changes are made in the way they are manufactured or represented.

This certification remains valid until such time as your products are no longer subject to a valid certification agreement or Green Seal has reason to believe, based on the results of our ongoing monitoring program or otherwise, that your products no longer comply with GS-41.

As a reminder, any use of the Green Seal Mark or reference to Green Seal needs to be approved by our organization and conform to our Trademark Use Guidelines. Please forward all new or revised packaging or marketing materials to [certification@greenseal.org](mailto:certification@greenseal.org) for approval prior to production.

Earning and maintaining Green Seal certification gives you access to a variety of exclusive resources to help you take full advantage of this valuable differentiator. Our Marketing Toolbox offers graphics and communications tools that can be accessed on-demand at [greenseal.org/marketing-toolbox/](https://greenseal.org/marketing-toolbox/). Our Customer Success team provides custom-tailored marketing support and promotional assistance to drive demand and increase awareness of your certified products.
