

Green Seal® Certified Hand Soaps and Sanitizers

Kutol's goal of being on the forefront of environmental responsibility is enhanced by offering Green Seal certified soap and sanitizer formulas. These products are verified as safer for human health and the environment than similar products, while delivering uncompromising performance.

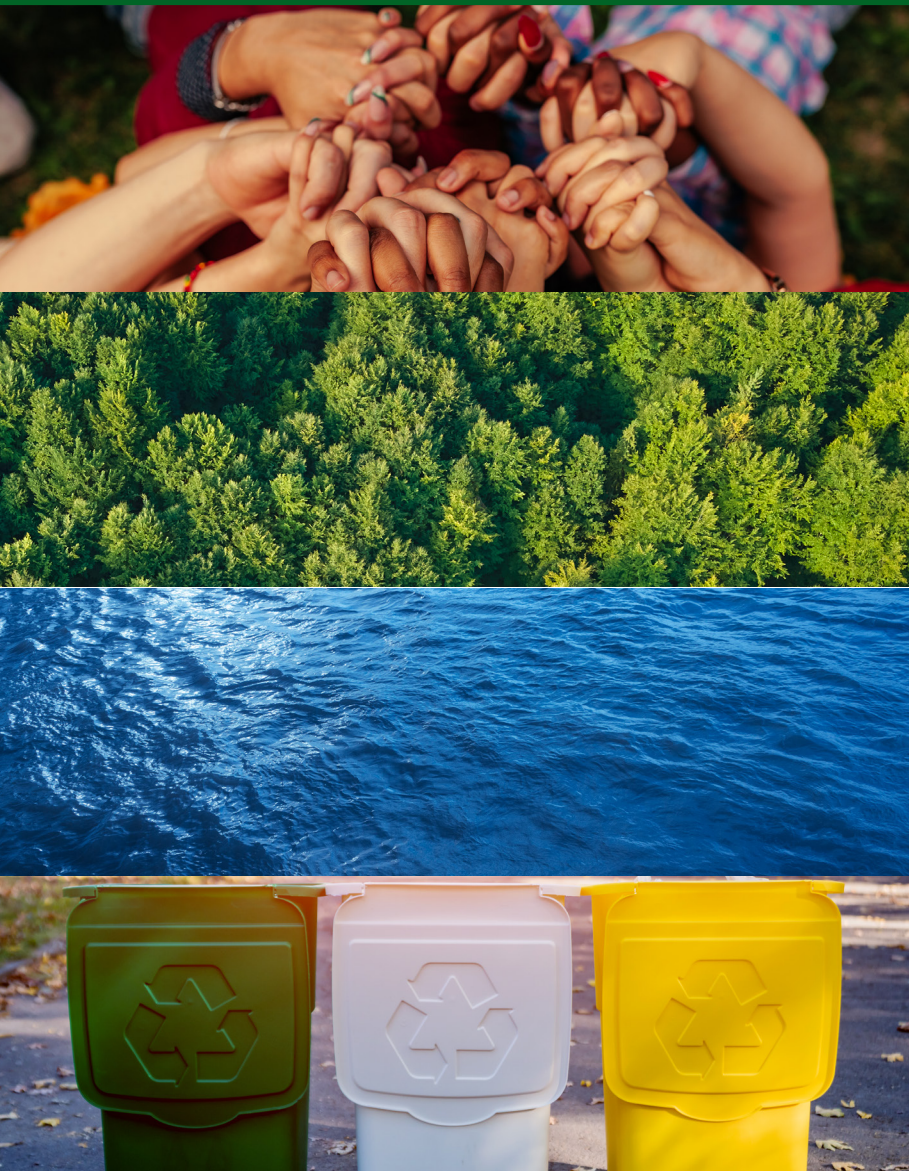

Green Seal's standards for protecting people and the planet – from the beginning of the product's lifecycle, to the end – include:

Protecting Human Health: Product is not irritating or allergenic to skin, was not formulated with carcinogens

Preserving the Climate: Content of Volatile Organic Compounds (VOC) is very low

Ensuring Clean Water: Product is non-toxic to aquatic life and biodegradable

Minimizing Waste: Packaging is recyclable or significantly minimized
