

CLEAN SHAPE® PUMP BOTTLES

A versatile dispensing option for general purpose hand care products, Clean Shape bottles can be used as a freestanding container on a sink/counter top or mounted to the wall using a bracket.

Portable and durable, Clean Shape bottles will not topple over when pumped. Drips and messy product waste is eliminated.

From restrooms to food service, hospitals to gyms, Clean Shape offers attractive packaging, pleasing scents and effective performance.

Snap into the optional wall bracket to create a dispensing system that meets 4 inch ADA guidelines.
