FOOD SAFETY HAND HYGIENE PROGRAM

Proper handwashing and hand sanitizing are important elements to food safety. Health Guard® hand care products by Kutol take the worry out of food-related illnesses, address food safety guidelines and help facilities build a solid reputation for quality. These NSF Registered, E-category soaps, sanitizers and washes reduce the spread of germs and cross-contamination in back-of-house and front-of-house areas.

Health Guard has a full line of NSF registered E1, E2, E3 and E4 products

- **Ideal for food preparation, handling and processing environments**
- **For use in USDA and US federally inspected facilities to help meet guidelines**
- **Designed to enhance HACCP programs with color-coded labels**
- **Made for use in customer and patron areas**
