

# NO TOUCH TOPFILL™ COUNTER MOUNT DISPENSER

*This premium no touch dispensing system is an attractive addition to facilities interested in a touchless restroom experience. A sleek, chrome finish makes the dispenser ideal for use in upscale office buildings as well as hospitality, retail, colleges and universities and entertainment venues.*

- Patented TOPFILL™ design refills from above the counter
- Quiet, battery-powered motor offers quick dispensing
- Sealed, sanitary refill bags eliminate contamination
- No messy spills or wasted product that can occur with bulk pour refills
- Easy to install or retrofit outdated dispensers

Canister diameter 5" (12.7 cm)

Refilling with TOPFILL™ saves time and eliminates safety concerns that come with removing under counter panels and servicing from the floor

## LUX Hand Wash Refills

Choose from high-quality foaming soaps that are Ecologo® certified to be environmentally responsible. Each refill bag provides 2,000 hand washes and can be used to refill one dispenser or to top-off multiple dispensers. Bags automatically reseal to reduce cross contamination.

Health Guard LUX refills offer:

- Superior foam with a smooth after-feel
- Aloe and Vitamin E to nourish skin
- Emollients and humectants to protect skin's natural moisture
- 1200 mL refills, 3 per case
