

TouchFree COUNTER MOUNT DISPENSER

This sleek dispensing system is an attractive addition to facilities interested in a touchless restroom experience. With an attractive chrome finish, this is ideal for use in upscale office buildings as well as hospitality, retail, colleges and universities and entertainment venues.

- Patented design refills from above the counter
- Quiet, battery-powered motor offers quick dispensing
- Sealed, sanitary refill bags eliminate contamination
- No messy spills or wasted product that can occur with bulk pour refills
- Easy to install or retrofit outdated dispensers
