From: Mark Dardy, National Sales Manager

Subject: ADA Compliance for Kutol dispensing systems

Please accept this document as confirmation of ADA compliance for the following Kutol dispensing systems.

- EZ Hand Hygiene Manual Foam Dispensers
- EZ Hand Hygiene No Touch Foam Dispensers
- DuraView Dispensers
- 800ml/1200ml Bag-In-A-Box Dispensers
- 800ml Easy Push Dispensers
- 1200ml Health Guard Dispensers

COMPLIANCE REQUIREMENT: Americans With Disabilities Act (ADA), Reference 4.27.4

“Controls and operating mechanisms shall be operable with one hand and shall not require tight grasping, pinching or twisting of the wrist. The force required to activate the controls shall be no greater than 5lbf (22.2N).”

TEST CONDUCTED: Measurement of the pounds of force required to depress listed Kutol dispensing system push pads and dispense soap product was completed using a **Wagner** brand **Force Dial FDK 10**. The measuring device is applied against the push pad of the dispenser and, as the push pad is depressed, the measuring device indicates the pounds of force required to dispense product.

TEST RESULTS: All listed Kutol dispensing systems dispense soap product using 5 pounds or less of pressure as measured by the Wagner Force Dial FDK 10.

If you have any questions regarding ADA Compliance and the tests performed please contact Kutol Products Company at 1-800-543-4641.
