To whom it may concern:

Kutol Products Company, Inc.'s Foaming Instant Hand Sanitizer (formula 682) is an alcohol free sanitizer which is intended to be dispensed from suitable foaming pump dispensers in areas where water is not accessible or available. Kutol's Foaming Instant Hand Sanitizer was specially formulated with the gluten-free needs of their customers in mind. Thank you for choosing Kutol sanitizers. Feel free to contact us with any questions or concerns.

Regards,

David Wood

Technical Director

Kutol Products Company, Inc.
