

Kutol Kosher Products

Kutol has no certified Kosher products but all of our products are Kosher certifiable. None contain animal products or are made in close proximity to any animal products.

We have had products that have been certified as Kosher by the customer. These customers take the proper procedures, including sending the correct authorities to Kutol at their own expense, to certify the products.

Kutol is happy to accommodate such visits and examinations.

 Pareve

Net Contents: 1000 mL (33.8 Fl. Oz.)

This U in a circle means Orthodox Union. This symbol is also called a "hechser". It means that the item has been certified as kosher.

Pareve means that it has no dairy or meat (animal) products, it is "neutral" and can be used to wash up by someone handling milk or meat products
