

TidyFoam No Touch Automatic Dispensing System

No Touch means fewer germs and more hygienic restrooms and work areas.

- Dispenses immediately when hand placed under sensor
- Visual dispensing system (upper valve placement) means less waste
- Guaranteed leak-proof
- Easy-to-see indicator lights show blue when soap is dispensing and red when battery needs changing
- Uses 6 AA batteries (included)
- Locking option
- Multi-lingual labeling on product bag
- Durable dispenser in dove gray or black

A7990F
**TidyFoam Dove Gray
No Touch Dispenser**
1000mL wall mount

A7991F
**TidyFoam Black
No Touch Dispenser**
1000mL wall mount

TidyFoam No Touch fits same product bags as manual dispenser!

For those who order both manual and No Touch dispensers, no additional soap product SKU's are needed.
Flexibility = cost savings!
