

FoamClean

QUALITY SKIN CARE

**Made without
Triclosan!**

ASSURE

Antibacterial Skin Cleanser

Our popular ASSURE Antibacterial Skin Cleanser has been reformulated without Triclosan. Now, with Active Ingredient Benzalkonium Chloride at 0.13%, ASSURE looks and smells just like the old formula but has even better efficacy against germs.

ASSURE Antibacterial Skin Cleanser features:

- Appealing spring-citrus fragrance
- Rich foam that embraces skin
- Contains Aloe and Vitamin E
- Active ingredient: 0.13% Benzalkonium Chloride
- Antibacterial properties help kill 99.99% of common germs
