Hand Hygiene
for a **CLEANER**
Environment

*Hand Sanitizers help prevent illness
in all environments. Clean hands are
safer hands.*

FOAM GEL 70% ALCOHOL 62% ALCOHOL NO ALCOHOL

a CLEANER Education Environment

- Reduced Teacher absenteeism - reduces substitute teacher costs
- Reduced student absenteeism
- Kills 99.99% of common germs that can cause diarrhea, vomiting, coughing, etc.
- Helps prevent the spread of illness
- Available in ADA compliant dispensers and bottles
- Our No Alcohol hand sanitizer is ideal for schools and other institutions

"...the ingestion of alcohol-based hand sanitizers by children can pose a serious threat of alcohol poisoning...poison centers have managed over 17,000 hand sanitizer exposure cases in children under 12 years old each year since 2011."

- American Association of Poison Control Centers (AAPCC)

Increase Awareness - Kids How To Sanitize
5 x 7 "cling" sign (repositionable) - can also be used in floor stand header LIT-TSKCGS

a CLEANER Healthcare Environment

- Reduces Healthcare-acquired infections when part of a comprehensive hand hygiene program
- Formulations designed for healthcare - 62% and 70% alcohol hand sanitizers are ideal for all healthcare environments
- Aloe and Vitamin E formulations to be gentle on skin and for repeat usage
- Available in ADA compliant dispensers and bottles

Hand hygiene is a simple, low-cost action to prevent the spread of many of the microbes that cause health care-associated infections (HAIs). While hand hygiene is not the only measure to counter HAIs, compliance with it alone can dramatically enhance patient safety.

- World Health Organization

a CLEANER Food Service Environment

- Show your guests you care about food safety and hygiene
- Help prevent the spread of illness
- E3 rated hand sanitizer, no rinse needed
- Use in food processing and preparation areas to help prevent foodborne illness
- Available in ADA compliant dispensers and bottles
- Sealed refills prevent cross-contamination

Increase Awareness - Adult How To Sanitize
5 x 7 "cling" sign (repositionable) - can also be used in floor stand header LIT-TSACGS

a CLEANER Workplace Environment

- Show your patrons and staff you care about their wellness
- Providing hand sanitizer enhances your facility's image
- Helps prevent the spread of illness
- Available in ADA compliant dispensers and bottles

Make Hand Sanitizer easily accessible
