# Heavy-Duty Hand Wipes

Kutol Heavy Duty Hand Wipes are dual textured, pre-moistened cleaning towels that cut through the toughest soils including grease, oils, tar, inks, paints, lubricants and adhesives. The textured side won't scratch hands or surfaces and is ideal for scrubbing tough soils while the smooth side wipes hands and surfaces clean. These multi-purpose hand wipes are industrial strength, yet gentle on the skin.

80070

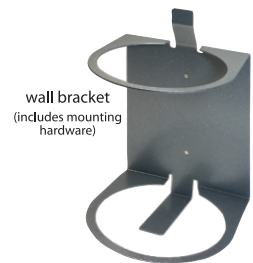

Shown with optional wall bracket

## Features and Benefits

- Ready to use, pre-moistened heavy duty hand wipes
- Dual textured — textured side scrubs tough soils while smooth side wipes hands and surfaces clean
- Multi-purpose — can be used for cleaning hands, tools, equipment and other hard surfaces
- Industrial strength cleaner lifts away grease, oils, tar, inks, lubricants, adhesives and more
- Fortified with a special emollient to soothe and moisturize skin
- No rinsing needed, no residue left behind
- Simply wipe clean and let dry
- Citrus scent leaves hands smelling clean and fresh
